

The **International Conference on Energy and Environmental Technology and Economics (ICEETE)** aims to promote communication and dialogue among researchers, scientists, academics, and engineers working in the areas of energy and environmental engineering, focusing on research concerning technology, development, assessment and management of energy and environmental engineering related programs.

The abstracts and the full papers will be published in the E-book Proceedings of the conference, and the delegates will have the opportunity to apply for the publication of their papers in a special issue of the International Journal of Energy and Environmental Engineering, Springer, published since 2012.

ICEETE will be held from the 31st of March to the 2nd of April 2021 at the Technical University Ilmenau (Ilmenau, Thuringia, Germany). This is Thuringia's second-largest university with about 7,000 students and an emphasis on mathematics, physics, informatics, several engineering disciplines and media studies. Since 1990, many research institutes have been established in the area around the university making Ilmenau an important hub of technological research.

Please submit your abstract by the **15th of November 2020**.

You can find the instructions for authors, the template to prepare your abstract and the link for submissions on: <https://iceete2020.com/online-abstracts-submissions>

For registration in the conference, please visit <https://iceete2020.com/registration-fees>

If you have any question about this conference, please contact the organising committee on [info@iceete2020.com](mailto:info@iceete2020.com)

The organising committee is looking forward to welcoming you in Ilmenau soon.

Best wishes,

**Herrn Prof. Peter Scharff**

Principal of the Technical University of Ilmenau  
Member of the German Exchange Service (DAAD)  
Fellow of the Academy of Useful Sciences in Erfurt

**Dr. Farivar Fazelpour**

Associate Professor  
PhD, Energy and Environment, Freiburg University, Germany  
IAU, STB, German Branch and Islamic Azad University, South Tehran Branch, Iran
